Remember in your prayers these concerns :

- Pray for the Sick in our church and community. Pray for those who seek to heal those who are sick. Pray for those who are constantly seeking ways to eradicate various illnesses. May the healing hands of Christ continue to surround them.
- Pray for the Bereaved. Pray families of those who lost their lives in the recent shootings in El Paso and Dayton in America. May the love of God enfold and uplift them at this time of sadness. May God continue to pour out his love on all who have lost loved ones.
- Pray for our Government at a time of great uncertainty of how the UK will exit the EU in October. Pray for the Holy Spirit to instil wisdom into all those involved with the decision making process.
- Pray for the pupils and staff of Cuerden Church School who return to their studies after their summer break on Tuesday 3rd September.
- Pray for the World, it's People and it's Leaders. Pray that God will continue to work to find ways to bring about justice, peace, harmony among all people, all races and all religions.
- Pray for the ongoing work of the Street Pastors in Preston and Chorley.
- Give thanks for the Weekend and the time to relax from the work of the week. Pray for those who have no weekends, only endless days of work.
- Give thanks for the work and dedication of all our church officers - may God continue to uphold and sustain them in their work
- Pray for those seeking Peace, for Jesus said: "Blessed are the peacemakers, for they shall be called children of God
- Pray for the Homeless - may they find a permanent place to live as the warmth of the summer is fading and the coldness of winter draws near. Pray for the Housebound - may they find companionship through family or friends.
- The Coffee Morning in support of Macmillan Nursing on Thursday 26th September at Bamber Bridge Methodist Church and on Friday 27th September at Carr Street, Community Centre.
- Pray for children in foster care - may God watch over them during an unsettling part of their lives. Pray for the social workers who seek to resolve the issues that bring them into care.
- Give thanks for the work and dedication of our organists and the music group.

*Lord, in all the aspects of our daily lives,
Hear our prayers.*
